RULES OF ICC AS APPOINTING AUTHORITY IN UNCITRAL OR OTHER ARBITRATION PROCEEDINGS

SUGGESTED WORDING

It is recommended that parties wishing to select ICC as appointing authority insert the following wording in their arbitration agreement:

The International Chamber of Commerce (“ICC”) shall act as appointing authority in accordance with the Rules of ICC as Appointing Authority in UNCITRAL or Other Arbitration Proceedings.

When considering the selection of ICC to act as appointing authority in other institutional arbitration proceedings in accordance with Article 9 of the above-mentioned Rules, parties are advised to consult both ICC and the other institution to ensure that such selection is compatible with the rules and internal policies of both institutions.
