Empower and inspire the next wave of mediators and business leaders!

ABOUT ICC MEDIATION WEEK AND COMPETITION

One of the biggest educational competitions worldwide dedicated exclusively to international commercial mediation.

A 6-day educational competition and events on mediation

Students representing up to 60 university teams will compete to resolve international business disputes through mediation under the ICC Mediation Rules.

Guided by elite mediation professionals

More than 150 renowned dispute resolution professionals will attend various professionals and educational events, and act as mediators and judges to guide students through the mediation and evaluate their performance.

AREAS WHERE YOUR IMPACT WILL BE MOST VALUABLE

Inter-generational and transformative exchanges occur during this ICC Mediation Week, bringing professionals, students, observers and volunteers together from across the globe.

Your support allows us to allocate resources where they're needed most, ensuring a smooth and impactful experience for all. In return, you gain high-value visibility and direct engagement with our international audience throughout the week and at key social events, as outlined below.

WELCOME RECEPTION

Kicking off the competition with a warm gathering, setting the stage for camaraderie among competing teams, professionals and volunteers.

Your support will create an unforgettable atmosphere where connections are forged, and friendships begin.

PROFESSIONALS EVENTS

Exclusive events dedicated to professionals, inviting them to share insights and experiences in vibrant settings.

You will help us enhance the networking opportunities, fostering meaningful relationships that extend beyond the competition.

FINALS AND AWARDS CEREMONY

The final session is livestreamed on our social media, followed by friends, family and colleagues around the world.

Your contribution will enhance this special event, recognising the hard work and commitment that goes into the competition.

EDUCATIONAL EVENT

A unique and exciting opportunity for students to learn directly from leading professionals who generously share their expertise.

Your support will help expand the learning opportunities for students from today's leading experts.
