2027

8-10 September

Global trade | Sustainable
growth and net zero | Digital
transformation and AI | The
future role of chambers

Metro Toronto Convention Centre
wcc.iccwbo.org

A global platform for chambers to connect, share experiences and shape the future of trade and business.

Join the global chamber community in Toronto for the **15th World Chambers Congress (#15WCC)**, the largest international forum dedicated to strengthening chambers and advancing business worldwide.

Over three days, the Congress will bring together chamber leaders, policymakers, business executives and international organisations to **connect, exchange best practices and shape the future of the chamber movement in a rapidly changing global economy.**

What to expect?

- Gain insights on the global trends shaping trade and business
- Learn how chambers can better support businesses of all sizes
- Share practical solutions to common economic and organisational challenges
- Build lasting international networks and partnerships
